Instructions for import terminal
advice

FILLING INSTRUCTIONS FOR IMPORT TERMINAL ADVICE
(it is compulsory to submit all information indicated in boldface)

The terminal advice is the most important source of transport data for the port operator in unit traffic. Import containers are released against terminal advice, power of attorney from shipping line and customs document.

Insufficient information causes extra work and costs in most cases. These instructions intend to assist clients in drawing up the terminal advice. The numbers in this instruction refer to the corresponding items in the terminal advice.

All needed import documents have to be sent to Euroports at importdocs.firau@euroports.com on working days by 16:00 in order for the unit can be released later in the same evening.
